Douglass Day Care News

Dinosaurs! Dinosaurs! Dinosaurs!

Douglass Day Care recently took a field trip to Dinosaur Land.

We got on the bus and went to Stephens City. We saw all the dinosaurs at Dinosaur Land! Our favorites were T-Rex, Triceratops Brontosaurus and Stegasaurus... We climbed on them and took pictures with them, as well as learning about them. Did you know that Tyrannosaurus Rex was the biggest and most ferocious of the meat eating dinosaurs? He was 60 feet long and as big as two story building. We also went into the sharks mouth!

After all the dinosaur excitement, we went to Sherando Park and had a picnic, played on their playground and went to McDonald's for ice cream before heading back to Douglass. It was an exciting day for all the children. Reminder that Douglass Day Care still has openings for the program. For information, contact Marylee Miller at 703-771-5610.

DCC Staff Profile— Julie Edwards

My name is Julie Edwards. I have been in childcare profession for 17 years. I began my career at Paxton Child Development Center in 1988. In June 2004 I had the opportunity to provide care through the Douglass Community Center ChildCare Program. The reason I chose childcare as my profession was because of the inspiration and example set by my mother. She has spent 30 years investing her time in the care of others. I plan to do the same and I hope to spend many years caring for the children of Loudoun County here at Douglass.

The Douglass Community Center is a warm and welcoming environment to the participants the staff and the community. Stop by sometime and see for yourself.
